Dear Mr. Paeff:-

As has been their procedure for several years past, the Medallic Art Company have offered to strike for our collection examples of medals made by them during the past year, provided we can obtain the permission of the artist to have this done. Included in this offer is the medal designed by you for the Meadowbrook School. If you do not feel you can authorize this action on the part of the Medallic Art Company, will you either obtain permission from those who are responsible for this medal or send me the name of the individual to whom an application for having this done should be sent.

We shall appreciate your cooperation in this effort to have our collection of medals by American artists as nearly complete as it can be made.

Very cordially yours,

Secretary

My dear Mr. Noe,

Thank you very much for asking me for a replica of the Meadowbrook School medal, or permission to obtain a replica for your collection, but I am sorry I cannot let you have this one at all. However, as I have medal commissions from time to time there may be others I shall find it possible to let you have for your collection.

Very sincerely,
Bashka Paeff.
